

Ungraded assignment 4 - extra credit points 10

[Re-submit Assignment](#)

Due Wednesday by 11:59pm **Points** 10 **Submitting** a website url

Available Apr 1 at 12am - May 20 at 11:59pm about 2 months

Ungraded assignment 4 : (30 points - goes to extra credit)

Understand basics of tensors (this is needed for your advanced / deeper tensorflow /keras and pytorch tutorial) - here are the resources for the same :

Download the book from <https://pytorch.org/assets/deep-learning/Deep-Learning-with-PyTorch.pdf>
(<https://pytorch.org/assets/deep-learning/Deep-Learning-with-PyTorch.pdf>).

Read chapters 1,2,3,4 and their related write the notebooks : Again - (no copy paste - use only when you get stuck - only for hints - do not cheat - - <https://github.com/deep-learning-with-pytorch/dlwpt-code> (<https://github.com/deep-learning-with-pytorch/dlwpt-code>))

due date : 4 weeks from now - format - same - upload to github and send us the link
